

KORU /'kɔ:ru/: a symbol of renewal.

In Māori culture, the Koru represents the spiral of a young fern as it begins to unfurl, a metaphor for new beginnings, growth, and a deep connection to nature. Inspired by this symbol, Kahala is born again, 54 years later: new space, new menu, same soul.

This menu is a journey through our finest cocktails: from timeless tiki legends to original creations, crafted with premium rums, fresh tropical fruits, and house-made ingredients.

Pause for a moment. Leave the world behind and...

Welcome to Kahala!
